Baby Programs (0 - 2) / Preschool Programs (2 - 4) / School-Age Programs (5-12) / Tween Programs (8-12) / All Ages (0-12)

Registration is required for some programs. Visit the Event Calendar on the Library's website for details.

Oceans of Possibilities

Summer Programs for Children 2022

Performers

Sarah Gardener, Preschool Music

Tuesday, June 21st at 10:00am

Ages 0 – 5 years old

Babies, toddlers, and their caregivers are invited to sing, dance, and play instruments during this interactive concert.

Audubon Society Inflatable Whale

Thursday, June 23rd at 10:00am

Grades K – 1

Discover the amazing size and adaptations of a whale! Kids will get up-close and climb inside a 65-foot, life-sized inflatable fin whale. They will learn why whales are mammals and all about their special characteristics and skills for survival.

Held in recreation gym across the parking lot from the Library.

Mystic Aquarium

Beach Animals - Tuesday, June 28th at 10:00am

Ages Toddlers & 2s

Discover fascinating animals found along the rocky shore. Some have hard shells for protection and others have suction cups to hang on! Through dramatic play and discovery of "mystery" items, instructors will guide toddlers through learning about cool coastal animals.

Penguin Palooza – Tuesday, June 28 at 11:00am

Ages Preschool - K

All children love to imitate penguins, so think how much fun it would be to see a friend dressed up as one from beak to tail! Through movement and hands-on activities, kids will love discovering how these adorable birds survive so well without flying.

Save the Bay: Beachcombers

Tuesday, July 12th at 10:00am

Grades K – 4

Come explore a miniature version of a beach right inside the Library! Kids will search for and identify shells and other beachcombing treasures and learn about the animals that left them behind.

Animal World Experience: Water World

Tuesday, July 19th at 10:00am

Ages 4 – 12

Learn all about the relationship of animals and water. Some animals actually live in the water and some use water for protection, finding food, or for hibernation (turtles & frogs hibernate underwater)! Discover how desert animals find water, and much more! Kids will meet live animals in this interactive program.

Fiddle N' Fun

Tuesday, July 26th at 10:00am

Ages 2 – 12

Join us for a fun, interactive musical show including guitar music, singing, fiddle sticks and much more!

Save the Bay: Bayside Stories for Early Childhood Education

Tuesday, August 2nd at 10:00am

Ages 3 – 7

Hear a story about a Bay animal and enjoy a range of hands-on activity stations, such as live critter encounters, and Bay-related crafts.
